THE MOST THAT IT WILL BRING!!
COUNTRY MERCHANTS, Southern or Western, or Merchants, California Merchants, or any body else who would like to buy a quantity of **YOUTHS AND CHILDRENS CLOTHING** at their own price, are invited to send an article which we have on hand. In overhauling and rearranging **Spring and Summer Goods**, preparatory to the commencement of the Spring business, we find a very considerable amount of stock adapted to the approaching season, which is shrewdly undervalued, and for the sake of getting it disposed of, by a price which can be avoided in manufacturing and retailing (the immense amount of "Boys' Clothing" which is annually produced at our establishments, and which goods have been separated from the principal stock, arranged in a separate room, and will, beyond doubt, require no small amount of capital to dispose of.)
